Subjective, Will follow a hunch

High Scorers

Comfortable with a logical approach

Unemotional thinking

Scale Description

The ability to think clearly and be objective in decision-making.

Interests

The Interest section assesses a person's relative concentration between the six interest areas for the Performance Model under consideration. The top three interests for this model in descending order are: **Enterprising**, **Financial/Administrative**, and **People Service**. The other three interests, Technical, Mechanical, and Creative have no impact on this position.

Enterprising

Employees who are motivated by the competitive, fast-paced world of sales and management.

Financial/Administrative

Employees who are motivated by administrative duties or financial information processing.

People Service

Employees who are motivated by a position that offers the opportunity to help others or provide some facilitative service.

Employee Description

For employees in this position, the interest results are focused in the Financial, People Service and Enterprising themes. This indicates that they should be motivated to attend to the detailed aspects of a position while focusing on profit issues. Their interests help to balance the administrative side of work with the competitive. Their motivation for working with others complements leading or facilitating teams as well as encouraging them.
